

MAKE IT eZ WITH EDI

33,000

TRANSACTIONS/MONTH
across all Zekelman divisions

Become our next electronic data interchange (EDI) partner.

At Wheatland Tube, a division of Zekelman Industries, our EDI capabilities make it easy to purchase steel standard pipe and steel fire sprinkler pipe for your business. We go above and beyond ANSI® ASC X12 standards, handling numerous types of transactions with a high level of flexibility. Choose from two partnership levels:
