February 1ST, 2021 - ECN Price Increase

To: U.S. Electrical Distributors Partners

Wheatland will be implementing a price increase on all products effective February 1ST, 2021. This change in the list prices is necessary to absorb the continued escalation of steel costs. The new list pricing EF020121 will supersede list pricing EF120120. These new list prices will represent a 7% increase. All orders entered after January 31, 2021 for immediate shipment will be priced from the new price sheet (EF020121).

Pricing will be firm through February 28,2021.

Wheatland reserves the right to limit the size of orders to historical purchase levels. Your Wheatland representative will be forwarding updated list price sheets and net sheets very soon.

Thank you for your continued support of Wheatland Tube.

Regards,

Todd Walrod
