May 3rd, 2021 - ECN Price Increase

To: U.S. Electrical Distributors Partners

Wheatland will be implementing a price increase on all products effective May 3rd, 2021. This change in the list prices is necessary to absorb the continued escalation of steel and freight costs. The new list pricing EF050321 will supersede list pricing EF031521. These new list prices will represent a **5%** weighted average increase.

All orders entered after April 30th, 2021 for immediate shipment will be priced from the new price sheet (EF050321).

Wheatland reserves the right to limit the size of orders to historical purchase levels. Your Wheatland representative will be forwarding updated list price sheets and net sheets very soon.

Thank you for your continued support of Wheatland.

Regards,

Todd Walrod
