October 11th, 2021 - ECN Price Increase

To: U.S. Electrical Distributors Partners

Wheatland will be implementing a price increase on all products effective October 11th, 2021. This change in the list prices is necessary to absorb the continued escalation of steel and freight costs. The new list pricing EF101121 will supersede list pricing EF091021. These new list prices will represent a **5%** increase on all items. All orders entered after October 8th, 2021 for immediate shipment will be priced from the new price sheet (EF101121).

Wheatland reserves the right to limit the size of orders to historical purchase levels. Your Wheatland representative will be forwarding updated list price sheets and net sheets very soon.

Thank you for your continued support of Wheatland.

Regards,

Todd Walrod

Vice President – Electrical
