FASTER IS SMARTER

with SmartCompression™ EMT

Installs 3x Faster Than Standard Compression Couplings

Trade sizes 2-4

10' & 20' lengths

**Raintight available
upon request**

Wheatland Tube's SmartCompression EMT with pre-installed compression coupling saves time on every job where compression couplings are specified or preferred. No need to fumble with loose couplings that have to be tightened individually. With SmartCompression EMT, just connect and tighten! Plus, the smooth ID coating allows for faster wire pulling.
