

January 10, 2025

Dear Valued Customer:

Please let this letter serve as documentation that Wheatland Tube Company's pipe, fence, conduit, conduit ECN (elbows, couplings, and nipples), and ZI Strut channel products produced or supplied by Wheatland Tube Company are produced domestically in the United States of America. As of January 2025, Wheatland's steel running thread pipe will also be compliant.

At the time of this writing, the following exceptions exist:

Wheatland's 10" Schedule 10 is manufactured by Atlas Tube (Zekelman Division) in Canada and finished in the USA. Additionally, Speed Couplings and Strut Accessories are supplied by, not produced by, Wheatland Tube are not of domestic origin.

Wheatland Tube Division has manufacturing facilities in the following locations:

Wheatland, Pennsylvania; Warren, Ohio; Cambridge, Ohio; Chicago, Illinois; Rochelle, Illinois; North Kansas City, Missouri and Blytheville, Arkansas.

If I can be of any further assistance, please do not hesitate to contact me.

Sincerely,

Tiffany Dunworth
Technical Services Manager
