

# STEEL EMT

## AN EASY BUT TOUGH WIRING SOLUTION

Wheatland Tube manufactures steel EMT in America, using the latest technology and protocols to ensure the highest quality. Our proprietary smooth ID coating enables up to 20% faster wire pulling. The light-wall EMT's mechanical properties allow for easy hand-bending on small sizes and a smooth bend on intermediate and larger sizes. Plus, all sizes are readily available for next-day delivery from 21 stocking locations. That's how we MAKE IT eZ.
