

1. General

These terms and conditions (these “**Terms and Conditions**”) are the exclusive terms and conditions that govern the provision of goods or services by Seller to the person or entity receiving goods or services from Seller (“**Buyer**”), except with respect to online orders in which case these Terms and Conditions are Additional Terms and are supplemental to our online **Terms of Use**. The terms in any written order acceptance provided by Seller (the “**Order Terms**”) and these Terms and Conditions comprise the entire agreement between the parties, and supersede all prior or contemporaneous understandings, agreements, negotiations, representations and warranties, and communications, both written and oral. No terms or conditions other than these Terms and Conditions and the Order Terms, whether contained in Buyer’s purchase order, shipping release, or elsewhere, shall be binding upon Seller and Seller hereby expressly objects to any such terms or conditions, including any Incoterms® or commercial terms other than those stated herein. All quotations from Seller are subject to change without notice. Acceptance of any quotation by Buyer shall not impose any duties on Seller until Seller expressly accepts a purchase order submitted by Buyer. Acceptance by Seller (i) is expressly made conditional upon assent by Buyer to all of these Terms and Conditions and (ii) shall *only* occur upon the earlier of (i) Seller’s express written order acceptance of Buyer’s purchase order or (ii) Seller’s shipment of the goods set forth in Buyer’s purchase order. For purposes of clarity, neither the placement of an order online nor the delivery of an auto-generated order receipt confirmation shall constitute acceptance of a purchase order by Seller. Buyer’s assent to these Terms and Conditions shall be conclusively presumed from Buyer’s receipt of Seller’s acknowledgment of Buyer’s order without prompt written objection thereto or from acceptance by Buyer of all or any part of the goods ordered.

None of these Terms and Conditions may be waived, added to, modified, superseded, or otherwise amended except by an

express written instrument signed by Seller and delivered by Seller to Buyer (for greater certainty, these Terms and Conditions may not be added or modified simply based on contradictory terms contained in the sales order, order confirmation, bill of lading, or invoice issued by Seller). Each shipment shall be subject to the approval of Seller's Credit Department.

2. Prices

Prices charged for the goods covered hereby shall be Seller's prices in effect at the time of shipment. Buyer shall pay the prices charged for the goods in accordance with the payment terms set forth on the invoice delivered by Seller.

3. Incoterms®2010

FCA Seller's Location Incoterms®2010. The term "Seller's Location" is defined as the "Shipped From" address on Seller's documentation including, but not limited to, sales order, order confirmation, bill of lading, and invoice issued by Seller to Buyer.

4. Legal Delivery

In all cases, delivery is always completed when the goods have been loaded on the means of transport at the Seller's Location as defined as the "Shipped From" address on Seller's documentation. For greater certainty, the goods shall NEVER be considered to be delivered when it reaches the place of destination provided for in the contract of carriage, if any.

5. Transfer of Title and Risk of Loss

Title to goods and risk of loss of the goods shall pass to Buyer when delivered at Seller's Location as defined as the "Shipped From" address on Seller's documentation.

6. Contracts of Carriage

Seller has no obligation to the Buyer to make a contract of carriage.

However, Buyer may request Seller to arrange for transportation as agent and strictly on Buyer's behalf, and in such cases, Seller arranges such transportation solely for the account of Buyer and Seller shall invoice the freight charges to Buyer in accordance to the freight terms based on Seller's issued sales order, order confirmation, and/or shipment documentation. Where Buyer requests Seller to arrange for transportation of the goods to Buyer's specified location, Buyer shall provide Seller with Buyer's choice of carrier, and if such carrier information is not provided, Buyer shall be taken to have authorized Seller to select a common carrier on behalf of Buyer. All prices inclusive of freight charges where applicable are based upon prevailing freight rates and transportation charges, and if these are increased or decreased, such prices on all unshipped tonnage shall be increased or decreased accordingly. Cash discounts apply only on the mill price of the material used to produce the goods. Seller shall have the option of shipping freight collect.

For greater certainty, the fact that the Seller may contract for carriage, strictly on Buyer's behalf and solely for the account of Buyer as its agent, shall not have any impact on the place of legal delivery or the transfer of title and risk of loss as provided for in paragraphs 4 and 5 above and shall not affect or modify the use of the **FCA Seller's Location Incoterms®2010**.

Carriers are responsible for goods lost or damaged in transit and Buyer must immediately notify the carrier in writing of such loss or damage.

7. Contracts of Insurance

Seller has no obligation to Buyer to make a contract of insurance. However, Seller shall provide Buyer, at Buyer's request, risk and expense (if any), with information in Seller's possession that Buyer needs for obtaining insurance.

8. Taxes and other Charges

Any excise, duties, levies, taxes or similar charges which Seller may be required to pay or collect under any existing or future law, upon or with respect to the sales, purchase, delivery, storage, processing, use, consumption, or transportation of any of the goods or services covered hereby, shall be for the account of Buyer and Buyer agrees to pay the amount thereof to Seller upon request. Seller shall not be responsible for spotting, switching, or drayage charges at destination.

9. Import Formalities

Unless expressly agreed otherwise, it is the responsibility of Buyer to obtain, at its own risk and expense, any import license or other official authorization and carry out all customs formalities as importer of record (IOR) for the import of the material and for its transport to any country (the “**Import Formalities**”).

For greater certainty, to the extent that the parties expressly agree to have Seller performing the Import Formalities, the parties agree and acknowledge that the use of the **FCA Seller’s Location Incoterms®2010** shall only be modified so that Seller performs the Import Formalities but that all other rights and obligations specifically provided for under such Incoterms® shall remain in force and unaffected. In this respect, Buyer undertakes to provide Seller with an executed copy of Form GST532 *Agreement and Revocation of an Agreement Between Supplier and Constructive Importer* prior to the importation of the material. Buyer acknowledges and agrees that Seller may collect all applicable GST/HST from Buyer on the supply of goods deemed to have been made in Canada.

In the event that Seller’s performance is delayed, interfered with, or prevented by war, fire, strike, flood, acts of God, shortages of material, fuel, or power, delay in transportation, equipment breakdowns, riot, theft, differences with workmen or employees, or

accident, or by any law, order, regulation, or requisition of any governmental agency or body, or any other cause beyond the control of Seller, Seller shall, with respect to any portion of Seller's performance unperformed by reason of such occurrence, at its option, be relieved from further responsibility, whether or not such cause is operative at the time of Seller's acceptance of Buyer's order. In the event Seller elects to complete its performance, the time of Seller's performance shall be extended for such period as may be necessary to enable Seller to make delivery after such cause has been removed, and Seller shall have the right to apportion its production among its customers (including Seller's regular customers not then under contract) and Seller's own departments and divisions in any manner Seller deems equitable.

11. LIMITED WARRANTY

Seller agrees to replace or allow credit, at its option, for goods found to be defective within a reasonable time but in no event more than one year after receipt by Buyer, but will not be liable for any labor, expense, or damage resulting from the use of such goods or in connection therewith. No claim will be recognized unless presented to Seller in writing within a reasonable time, but in no event more than one year after receipt of the applicable goods by Buyer and unless Seller is promptly afforded a reasonable opportunity to inspect such goods after such claim has been presented. Goods shall not be returned to Seller unless Seller authorizes such return by prior written notice to Buyer.

12. Limited Remedies

The remedies provided for in paragraph 11 hereof are Buyer's exclusive remedies and Seller's liability shall not under any circumstances exceed the amount paid to Seller for the applicable goods.

IN NO EVENT SHALL SELLER BE LIABLE TO BUYER OR TO ANY THIRD PARTY FOR ANY LOSS OF USE, REVENUE OR
