APPLICATION**

Wheatland Tube's **HDZ Coat** provides long-lasting protection, prevents early white rust, and eliminates microbial contamination. Our proprietary, in-house 5-step galvanization process makes for a 100% dross-free and debris-free finish in compliance with new ASTM A135, A53, and A795 galvanization requirements.

Wheatland Tube offers HDZ Coat on both our standard and fire sprinkler pipe.

To learn more, visit us at wheatland.com/hdzcoat or contact your Wheatland representative.
